## We are still accepting children for the 2025/2026 school year

---

The Kaštánkov Early Childhood Centre currently still has available capacity for admitting children for the 2025/2026 school year. If you are interested in enrolling your child, please contact us by email or via the contact form on our website.

Admission criteria: The child must be at least 1 year old, and at least one of the child's legal guardians must be employed at Charles University. This must be documented by submitting a declaration of labour market status for the purposes of obtaining the state operational subsidy for the Early Childhood Centre.

The required forms to be completed and submitted are available in the ["Forms for Download"](#) section.
